

CPTED

Crime Prevention Through
Environmental Design

Feeling Safe, By Design.

The proper design and effective use of the built environment can lead to a reduction in the fear of crime and incidence of crime, and to an improvement in quality of life.

CPTED strategies are ideal for Law Enforcement Officers, City Planners, City Managers, City Council Members, Architects, Security Consultants, Educators or anyone involved in designing neighborhoods, schools, downtowns, buildings, or revitalization efforts. It is an effective way of fighting crime and promoting business.
